Weather Information:

Day temperatures range between approximately 56° to 60°. The mornings and nights will tend to be cooler, at an average of 45°. It is very difficult to predict the weather, so be prepared for extremes – 30° to 75°. At our group briefing we will give you the most current temperatures.

We found layering your clothes works best. Start with a t-shirt, add a sweater, and then a jacket. Bermuda shorts are fine for the days. We will need to be prepared for both the sun (*hat, sunglasses, sunscreen*) and cold (*scarf, gloves, jacket*) Bring **casual dress** clothes (long pants and shoes) for nightlife and dining.

Special Notes:

If you plan to use electrical items, you will need to bring a **converter** and an **adapter**. Also a **money belt** is highly recommended. You can find these wherever luggage is sold.

It is a good idea to take about \$250-400 per person in **British Pounds** and \$150-250 per person in **Euro**. (Your tour director may require a 25% deposit in *Euro currency* for the optional excursions you plan to take.) You can order British Pounds and Euro through your local bank, as we tend to have better rates here. It is a good idea to shop around; normally First Hawaiian Bank and Bank of Hawaii have the most competitive rates. Take your credit card, ATM card, some Euro and British Pounds, and some U.S. cash (*start collecting crisp and clean \$1 bills*), and you'll be just fine.
