Weather Information:

Day temperatures range between approximately 44° to 72°. The mornings and nights will tend to be cooler, at an average of 51°. It is very difficult to predict the weather, so be prepared for extremes – 40° to 80°. At our group briefing we will give you the most current temperatures.

We found layering your clothes works best. Start with a t-shirt, add a sweater, and then a jacket. Bermuda shorts are fine for the days. We will need to be prepared for both the sun (*hat, sunglasses, sunscreen*) and cool (*scarf, cap, jacket*) Bring comfortable **casual dress** clothes (long pants and shoes) for nightlife and dining.

Special Notes:

If you plan to use electrical items, you will need to bring a **converter** and an **adapter**. A **money belt** is highly recommended. You can find these wherever luggage is sold.

It's best to take about \$150-300 per person in **Euro**. You can order Euro through your local bank, as we tend to have **better rates here**. Shop around; normally First Hawaiian Bank and Bank of Hawaii have the most competitive rates. Take your credit card, ATM card, some Euro, and some U.S. cash (*start collecting crisp and clean \$1 bills*), and you'll be just fine.
