### Weather Information:

Day temperatures range between approximately 65° to 73°. The mornings and nights will tend to be cooler, at an average of 52°. It is very difficult to predict the weather, so be prepared for extremes – 40° to 80°. At our group briefing we will give you the most current temperatures.

We found layering your clothes works best. Start with a t-shirt, add a sweater, and then a jacket. Bermuda shorts are fine for the days. We will need to be prepared for both the sun (*hat, sunglasses, sunscreen*) and cold (*scarf, gloves, jacket*) Bring **casual dress** clothes (long pants and shoes) for nightlife and dining.

### Special Notes:

If you plan to use electrical items, you will need to bring a **converter** and an **adapter**. A **money belt** is highly recommended. You can find these wherever luggage is sold.

It is not necessary to buy Scandinavian currency in Hawaii (*usually it is expensive*). Bring your credit card, ATM card, and some U.S. cash (*start collecting crisp and clean \$1 bills*), and you'll be just fine.
