## 2013 Hawaii Group Tours

Sample The World With Us In 2013! Mahalo to those of you who have made your reservations for 2013 and are ready to enjoy the fascinating flavors of the world. We truly appreciate your patronage.

All of our programs have *enough people on them to operate*, and we still have room if you want to join the pa`ina. In order to keep tantalizing your taste buds we will change the majority of our menu in 2014, so if you crave one of this year's delights, now is the perfect time to quench your desire.

If you are looking for new experiences, we have a variety of delectable destinations on our menu. We encourage you to take a sample, but beware chances are you'll be hooked once you have a taste.

Helping You Plan Your Delicacies! To keep things fresh we will change our menu every year, whipping up unique dishes and bringing back some of our local favorites from our vault. To give you some idea of which tours *May Not Be Offered in 2014*, look for the **MNBO** code next to the price.

Delivery By United Airlines! United Airlines Mileage aficionados will be delighted to know that the majority of our meals will be delivered (*flown*) on United Airlines and/or one of their partner carriers. This allows our guests the opportunity to earn mileage points and use their status to enjoy premium seating.

Offering You The Best Guides! **Tour Directors** and **Tour Hosts** can make the difference between an average tour and a fantastic one. That is why our **Tour Hosts** are constantly improving themselves to better *Serve* you. At least twice a year we meet to go over our clients' expectations and share hosting tips and hints with each other. We are very proud of our current staff of Tour Hosts and are confident you will be, too.

A Big Traveling Ohana! Over the years tour members have told us that their group was so special. This affirmation really hit us on our tour to Turkey, when a first time European World Travel customer mentioned that we had a very cosmopolitan group. Everyone was mingling, making new friends, and catching up with old ones. Part of our *Service* is to foster this "Ohana" spirit to provide you with a more fulfilling travel experience.

Hawaii Group Tour WEBSITE! Please visit [www.europeanworldtravel.com](http://www.europeanworldtravel.com) to find all our Hawaii Hosted tour itineraries, FAQ about our policies and company, and even download the brochure and reservation form.

We Look Forward To Serving You! It all starts with a phone call, and we love to talk. Feel free to call us at 732-9430 or 1-800-475-9430 (toll free). If you prefer to visit us, take the little ramp up to the parking lot and then the vertical coach (elevator) to the third floor. We are in room 302. **Please call before you come** so we can be sure someone is here to serve you.
