Total Additional Expenses				\$903

Weather Information:

Day temperatures range between approximately 55° to 75°. The mornings and nights will tend to be cold, at an average of 46°. It is very difficult to predict the weather, so be prepared for extremes – 30° to 80°. At our group briefing we will give you the most current temperatures.

We found that layering your clothes works best. Start with a t-shirt, then a sweater, and then a light jacket, if needed. Rain protection is always recommended. Bring **casual dress** clothes (long pants and shoes) for nightlife and dining.

Special Notes:

If you plan to use electrical items, it is best to bring a **converter** and an **adapter** (two round prongs - Type C). Also a **money belt** is highly recommended. You can find these wherever travel accessories and/or luggage is sold. It is not necessary to buy foreign currency in Hawaii. Take your credit card, ATM card, and U.S. cash, and you will be fine.

We will need to **pay an Argentina reciprocity fee prior to entry**. The fee is approximately \$170 per person, and I will collect it with final payment. You will need to submit a copy of your **passport's** picture page. Please ensure NOW your passport is *valid past June 2016 and containing at least 3 blank Visa Pages* (amendment pages do not count as visa pages).
