

2016 Hawaii Group Journeys *Menu!*

2016 Program Menu! Hau'oli Makahiki Hou! Pray you had a fabulous New Year celebration and are ready to explore the world in 2016. Hopefully one of our four itineraries will captivate your desire for travel adventure. In order to provide fresh and unique explorations, we expect to bring you all new programs in 2017 (not repeating any). Alex will be the group host on all departures. Our slate will include an equal selection of European, North American, and Adventure (South America, Australia & New Zealand, Japan, Middle East, etc.) destinations.

Mahalo for your patience as I finalized our 2016 programs. It took much longer than I expected. With so many returning Travel Ohana, I strove to make each journey extraordinary by using my industry contacts and adding a number of unique features. *These are not your average Globus Family tours.*

All but the British Isles (*coming soon*) are online at **doldworldjourneys.com**. Or you can contact me, and I will send you copies. Online you can also view the program's flight schedule and travel insurance information and learn some practical information about traveling to the journey's destinations.

Annual Discounts! Exploring the world is my dream for you, and I want to make it as simple as possible. To encourage you to join one of our journeys we will continue to offer sign-up discounts similar to 2015.

- The first 15 to register will receive **\$100 off International / \$75 off USA & Canada** journeys
- The next 15 (or 16 - 30) to register will receive **\$75 off International / \$50 off USA & Canada** journeys

New to the discount policy is the addition of a **discount deadline** to encourage you to book early (*as listed below*).

The Globus Journeys Club, Keiki, and triple room discount rules remain the same.

NEW for 2016 – British Isles in the SPRING! For various reasons we lost a large number of Ohana on our *Eastern Europe* journey and have to postpone it to another year. Well, when life gives you lemons you make lemonade. Since our August departure of the British Isles program is **full and on wait list**, we decided to add a spring departure to take advantage of the crisp weather and beautiful flowers. The **Edinburgh Military Tattoo** happens only in the summer and is **NOT included** in April. If you are interested, please let me know ASAP.

Special **\$150 Sign-up Discount** on the **April British Isles** program,
if you submit your reservation form by **January 15, 2016!**

Top of My Bucket List for 2016! I don't really have a bucket list, but ever since creating the **Irrawaddy River Cruise** it has been on my mind. This is a first for me. If you look past the price (which I cut substantially in the hopes to make it succeed) you will see that this Cruise is our **BEST VALUED** itinerary in the 2016 program. I could have made it less expensive by cutting out major sites and amenities, but I stuck with the **Dold Tradition** - do all you can so you don't have to go back. Some of our Ohana have gone on cheaper versions and have told me they wished they would have waited; in fact, a few of them are going again with me on this *Travel Dream Maker*.

Looking Forward To Serving You! Electronic communication (via e-mail and our website) is by far the fastest, easiest, and most efficient way for us to keep in touch. For those without e-mail and/or internet access, please feel free to call me (808-732-9430). If I am not able to get to your call, please leave me a message.

Voted the Number One desired 2016 journey overall by our E-mail Ohana, it is no wonder why this journey sold out and was on **waitlist** prior to the itinerary being published. Now with the postponement of the Eastern Europe program, we have the chance to explore the enchantment of the British Isles in the spring with its crisp weather and blooming flowers (but **no Military Tattoo**). Both departures take us through the picturesque lands of queens, kings, and leprechauns; with their glorious palaces and castles; amazing history and culture; and most amazing scenery. I love that it includes **Belfast**, Northern Ireland, a first on our Globus UK programs.

Voted the Top Desired USA & Canada journey by our E-mail Ohana, this program is a great complement to our Alaska & the Yukon trip and happens to be *less expensive* and two days longer. Abounding in natural beauty, including views on the *Sea to the Sky Highway* and a visit to the world-famous **Butchart Gardens**, the Canadian Rockies will amaze you as you travel by motorcoach, gondola, Ice Explorer, and more. According to Ronda Dotts, Globus Family's Product Manager for the US & Canada and my friend who spiced up our 2015 Alaska adventure, this is their best itinerary "hands down." She notes, "It is different, no one else really has anything similar, and travelers can enjoy multiple forms of transportation - from train to the ferry crossing on the Inside Passage, which is so beautiful." To this already amazing program, Ronda and I also added a day in Vancouver, an excursion to **Whistler**, and a few other treats for you. Increasing the appeal, multiple **two-night stays** give this tour a little more *leisurely pace*.

Irrawaddy River Cruise with Inle Lake 18-day

Visit famous Pagodas. Mix with locals.

Depart Mon. Oct. 17 - Return Thu. Nov. 03 – \$9,690 Journeys Club Discount - \$372 with Alex Dold

There are so many reasons to love this itinerary, with untouched villages, ancient cities, a colorful culture, and captivating panoramas. Our program includes **Inle Lake**, a cruise north of **Mandalay** on the most scenic part of the majestic **Irrawaddy River** (not visited by most cruise companies), and opportunities to interact with the local children, monks, and villagers. Much is still unspoiled, but development is coming swiftly. On board the all-suite Avalon Myanmar, we treat ourselves to its luxury. All meals (and local beer/spirits, soft drinks, and bottled water) are included, and there are no optional excursions. This is **VALUE** that I have not yet experienced in all my travels. Did I mention the floor to ceiling, 14-foot-wide cabin windows, hotel style rooms, complementary mini bar; and large full size rain shower bathrooms? A once in a lifetime adventure, this is truly a *Travel Dream Maker*.

Hawaii Hosted Journeys Include: Alex Dold as Host, Tour Director while touring, Local guides, First Class hotels, Tips for baggage handling, Airfare and TAXES from Honolulu, many meals, key sights, and many inside visits.
