

2018 Hawaii Group Journeys *Update!*

with the Oberammergau “Passion Play” 2020

Mahalo! Arigatou, Efcharisto, Thanks Partner, Gracias, Cam On Ban to all our Travel 'Ohana once again. Your response is overwhelming, and heart felt. It's my dream to help people explore our amazing world. Appreciate you giving me the opportunity.

2018 Program Menu! With 4 custom (*designed from scratch*) and one modified (*added features*) journeys, this is the **BEST SLATE** I have ever offered in my 29 years. Mahalo to friends like Bobby, Todd, Ryan, Shannon, Barbara, Dino, Caterina and Globus Lugano for digging deep into their creativity box to make it happen. Of course, they all know I do it for you. Together we have put together a 2018 program, my father would be proud of.

With some luck, I will be coming out with a **preliminary 2019 slate at the end of June / early July**. It's going to be tough to beat 2018's programs. Although, it is my aim to constantly improve so let's see what I whip up.

2018 Program Status: Greece with Aegean Cruise (*on its way*); National Parks with the Lincoln Highway (*on request*); Best of South America (*one room left*); Mekong River Cruise (*two cabins left*); Swiss Alps Oberammergau (*two rooms left*); Northern Italy Oberammergau (*open*); Singles on **wait list!**

Continuous Value! Offering **Value** is an ongoing process. It takes a huge effort to balance between including unique and amazing experiences and cost. Of course, keeping it **affordable** is important and I constantly work on bringing costs down and *passing them on to you*. Sometimes it happens after the journey prices have been finalized. For example, on our 2017 Scandinavia journey, United was able to bring down the airfare and everyone who purchased a full (air + land) package **received a \$125 refund check** at our group briefing.

This year, with Globus family's help, we were able to acquire a lower intra journey airfare on our **2018 South America adventure**. To share the saving fairly we **double everyone's discount**. Those with a \$100 discount will automatically receive \$200 and those with \$75 discount will earn \$150 off.

**** Still have a twin room available and am offering a \$150 saving per person.**

Worth Taking A Chance! Whether a program is on **wait list** or *own its way*, there is always a possibility of getting on. Very often people's plans change, and they must pull out or we're able to acquire more space. Just this week, we secured 4 more seats on our National Parks journey at the final payment deadline (*2 months out*). In the past, we've added people a week before departure. I love to help people explore and will do all I can to make it happen. *If you have an interesting in joining us, please let me know.*

Keeping it Fresh! My goal is to change up our journeys yearly. A number come from our European World Travel vault (*past programs*). Others are brand new. With so many places in this amazing world to explore it's been easy to keep it fresh. Looking at my current trend, I am **repeating programs every 5 to 8 years**.

Still Looking? We always welcome more Travel 'Ohana. If you love to explore, try new and unique things, like to mingle with locals, are easy going, and appreciate excellent VALUE you'll fit right in. Our programs are packed with tons of features which allows you to absorb all the destination has to offer. I encourage you to read through the details. It's more than a standard brochure itinerary. Then please **SHOP and COMPARE!**

Final itineraries, prices, and dates can be found online at doldworldjourneys.com. Or you can contact me, and I will be happy to send you copies. Online you can also view the program's flight schedule and travel insurance information and learn some practical information about traveling to the Journey's destinations.

Oberammergau Passion Play 2020! The quaint European village of Oberammergau, Germany is world famous for the spectacular **Passion Play** performed solely by its residents just **every 10 years**. I had the pleasure of hosting a 2010 program and it was one of the most amazing performances I have seen (*chicken skin*). The residents live for this moment. Singers spend most of their lives perfecting their voices. The actors compete for their roles over a year in advance to begin rehearsals and grow their breads.
