

2020 Hawaii Group Journeys *Finals!*

Finalization Guesstimation! I **apologize** to the many of you who check your email daily waiting for my next program to finalize. It's very humbling and heart felt. When it comes to finalizing a journey it really boils down to a guesstimation (*part estimation and part guess*). As you can tell I very bad at it. It's because there are so many levels involved (*and each program is different*). **Customize programs** are design by me and my brilliant industry friends from scratch (*for 2020 many of them are in Lugano*). They take the longest as we go back and forth multiple times. **Modify itineraries** are ones which already exist and I (*again with help of amazing peeps*) add as many features as possible. These are faster but also need to be confirmed by various vendors (*some overseas*). Then there's the air space which can only be done 330 day prior to departure (*and if you have the land confirm*). Add to the fact my finalization periods normally happens during the holidays when many in the travel industry are trying to use up their used vacation. **Huge MAHALO for your patience.** I'm working on a better way.

To Mom and Dad! 2020 is technically **Dold World Journeys 5th Anniversary** yet I'll be celebrating it next year after completing the fifth year. Instead I'm going to dedicate **2020 to my parents – Walter and Jutta Dold.** My mother passed at the beginning of January. We're very happy she's in a better place and with dad once again. My father passed in November of 2017. Mom believed that for many people, traveling is a dream. She taught me our role as agents was to "**Make People's Travel Dreams Come True.**" Thanks to mom's inspiration, leading groups is now my passion. My father is the whole reason I entered the travel industry and the one who taught me the great importance of **Value** (*busy itineraries, pack with special feature, unique experience, and quality comforts*) and **Service** befitting of 'Ohana. I thank my parents for bringing me into a business where I have made many friends and family across the world. Where I can make people happy and explore God's beautiful world at the same time. Now, for the first time they both will be exploring with me in spirit. *Mahalo Mom and Dad!*

Finally – EGYPT! Praise God in about two weeks a number of our Travel ‘Ohana and I will be off to Egypt. I’ve been waiting. It’s my favorite destination. Imagine savoring 4,000-year-old architectural wonders in style with 3-nights in rooms overlooking the great pyramids, a deluxe 7-night Nile Cruise and inclusions like an overnight in Alexandria, an excursion to Abu Simbel by air, a *Felucca* ride on the Nile and much more. And four total flights with a break in Newark on the way up and back. **We’ll be exploring from February 11 to 26.**

A Million Mahalos! Your continued support overwhelms me beyond words. Truly heartfelt. Dold World Journey’s is a company built on our Travel ‘Ohana. For 2020, I am thrilled to offer you my all-time favorite destination, **Egypt** (*I’ve been waiting*) and my ultimate show experience, **Oberammergau** (*twice*). It’s great to also bring back two of *European World Travel*’s popular itineraries. AND in your kindness, you responded. Three out of our five 2020 journeys are on **Wait List**. *The other two already with limited space*. All of them filled from the people on the **inquiry list**. I am so blessed and honored once again to see the amazing sights of our world with you, make friends along the way, and reacquaint with former ones. **Mahalo and God Bless!**

Annual Discounts! Our discounts are based on a *first come, first served* basis rather than a deadline date. In other words, guests on any journey will be able to earn the **largest discount** if they are one of the **first 15 to sign up**. Then the discount drops slightly for the **next 15 members**. This discount is non-transferable meaning there is hope for member 31 and up. We also will pass along any applicable vendor discounts, too (*like the Globus Welcome Back Credit*). Please visit our **discount page** online at doldworldjourneys.com for more information.

Single Rooms Fill Up Fast! If you are thinking about going as a single, remember those rooms are **limited**. All our **2020 Single Rooms** are on **WAIT LIST**. If you are looking to share a room, please find a compatible person. We stopped pairing up people.

Keeping it Fresh! My goal is to change up our journeys yearly. A number come from our European World Travel vault (*past programs*). Others are brand new. With so many places in this amazing world to explore it’s been easy to keep it fresh. Looking at my current trend, I am **repeating programs every 5 to 8 years**.

Around mid-Thirties! Our group size depends on the destination. For a modified program I need to have over 30 members to have our own coach. Events like Oberammergau is over 40. Custom itineraries vary. Ideally 34-36 is about right. As you know I want to accommodate our ‘Ohana and since I keep it fresh (*see above*) I sometimes go over (*yet always less than 40*).

Spreading the Word! A heartfelt Mahalo to all of you who promote Dold World Journeys. Your “*word of mouth*” brings similar explorers. It is a blessing to add new members to our Travel ‘Ohana. Please let all prospects know they can find tons of info on our website (doldworldjourneys.com).

Please Tell Our Email-less Ohana! Mahalo to all of you with email. Because of you, I can *Make Travel Dreams Come True*. **It’s especially important now as I am going PAPERLESS**. Only those with email will receive updates (*4 to 6 a year*). Please let our **Travel ‘Ohana without email** know what’s happening.

Follow Our ‘Ohana on FACEBOOK! On a recommendation from my mentor **Bobby Chinen** (*check out his post at Akira Akira. He’s a pro.*) I joined Facebook. Many family members say they enjoy keeping up with us and to my surprise we even picked a few *New ‘Ohana*. To connect click www.facebook.com/dold.world.journey (*or copy it into your browser*). To keep current please send me a friend request.

Looking Forward to Serving You! **Email** communication is by far the fastest, easiest, and most efficient way for us to keep in touch. Of course, you can always **call me** at (808) 732-9430. Within 48 hours I will respond (*even when on the road*). If I am unable to take your call, please leave me a message. **The best time to reach me by phone is between 10 am and 4 pm, Monday to Friday (you can email me anytime).** - **NEW**
