

We've learned over our 74 years of caring for guests as they travel the world that a good travel protection plan can be one of your most reliable travel companions. We offer a plan that includes benefits for trip cancellation, trip interruption, medical expenses and evacuation, sickness (*COVID is treated as any other sickness*), lost baggage, missed connections and more. In the event you are delayed due to quarantine*, Travel Delay can also reimburse additional accommodation, meal and local transportation expenses incurred.

Travel Protection Benefits	Maximum Benefit Amount Per Person, Up To:
Trip Cancellation If you need to cancel your journey BEFORE departure because you are sick or hurt, there is a death in the family, or another specified reason	Trip Cost
Trip Interruption If you interrupt your trip because you are sick or hurt, there is a death in the family, or another specified reason	Trip Cost
Travel Delay Reimbursement for expenses like meals and hotel if you are delayed for 12+ hours	\$5,000 (\$350/day)
Missed Connection Delay of regularly scheduled flights for 3+ hours due to Common Carrier delay caused by inclement weather	\$500
Accident & Sickness Medical Expense Coverage for medical treatment, hospitalization, and ambulance services if you get sick or hurt on your trip	\$25,000
Emergency Medical Evacuation & Repatriation Coverage if you need emergency medical transportation	\$100,000
Accidental Death & Dismemberment Reimbursement if a participating traveler sustains an injury during the flight or trip resulting in loss of life, limb, or eyesight	\$25,000
Baggage & Personal Effects Reimbursement if your things are lost, stolen or damaged	\$1,000
Bag Delay Reimbursement if your bags are delayed 24+ hours and you need to purchase necessary items	\$100

Our airfare cost is NOT covered by this Travel Protection. Airline tickets do have a value (*usually up to one year from date of issue*) less a fee.

*Quarantine is a strict medical isolation imposed by a government authority or a physician to prevent the spread of disease and requires the relevant person to be confined twenty-four hours per day, seven days a week throughout its duration. A recommendation or self-quarantine is not a covered quarantine.
