Total Additional Expenses				\$ 774

### Weather Information:

---

Day temperatures range between approximately 69° to 76°. The mornings and nights will tend to be cooler, at an average of 53°. It is very difficult to predict the weather, so be prepared for extremes – 40° to 85°. At our group briefing we will give you the most current temperatures.

We found layering your clothes works best. Start with a t-shirt, add a sweater, and then a jacket. Bermuda shorts are fine for the days. We will need to be prepared for both the sun (*hat, sunglasses, sunscreen*) and cold (*scarf, gloves, jacket*) Bring **casual dress** clothes (long pants and shoes) for nightlife and dining.

### Special Notes:

---

If you plan to use electrical items, you will need to bring a **converter** and an **adapter**. A **money belt** is highly recommended. You can find these wherever luggage is sold.

It's best to take about \$150-250 per person in **Euro**. (Our tour director may require a 25% deposit in *Euro* for the optional excursions we plan to take.) You can order Euro through your local bank, as we tend to have **better rates here**. Shop around; normally First Hawaiian Bank and Bank of Hawaii have the most competitive rates. Take your credit card, ATM card, some Euro, and some U.S. cash (*start collecting crisp and clean \$1 bills*), and you'll be just fine.
