Weather Information:

Day temperatures range between approximately 61° to 74°. The mornings and nights will tend to be cooler, at an average of 48°. It is very difficult to predict the weather, so be prepared for extremes – 40° to 85°. At our group briefing we will give you the most current temperatures.

We found layering your clothes works best. Start with a t-shirt, add a sweater, and then a jacket. Bermuda shorts or Capris are fine for the days. We will need to be prepared for both the sun (*hat, sunglasses, sunscreen*) and cool (*scarf, cap, jacket*). Rain protection (jacket, poncho, or umbrella) and comfortable walking shoes will come in handy. Dress is **comfortable casual** with long pants and shoes for nightlife and dining.

Special Notes:

If you plan to use electrical items, you will need to bring a **converter** and an **adapter**. A **money belt** is highly recommended. You can find these wherever luggage is sold.

It's best to take about \$250-350 per person in **Euro**. You can order Euro through your local bank, as we tend to have **better rates here**. Shop around; normally First Hawaiian Bank and Bank of Hawaii have the most competitive rates. Take your credit card, ATM card, some Euro, and some U.S. cash (*start collecting crisp and clean \$1 bills*), and you'll be just fine.

The Moroccan currency is the Dirham. Morocco is not on the EURO. We'll exchange small amounts of Euro or USD for Dirham when we arrive in Morocco.
