Weather Information:

Day temperatures are likely to range between 62° to 72°. The mornings and nights will tend to be cooler, at an average of 49°. It is very difficult to predict the weather, so be prepared for extremes – 35° to 80°. At our group briefing we will give you the most current temperatures.

We found layering your clothes works best. Start with a t-shirt, then add a sweater, and then a jacket. Protection from the rain (jacket, poncho, or umbrella) and comfortable walking shoes will come in handy. Bermuda shorts are fine for the days. Caps, sunglasses, and sunscreen will be needed. Bring **casual dress** clothes (long pants and shoes) for nightlife and dining.

Special Notes:

If you plan to use electrical items, you will need to bring an **adapter**. We suggest a multi-region type (which covers Type I). Depending on your items you may also need a **converter** (many automatically convert). A **money belt** is highly recommended. You can find all of these wherever luggage is sold (Longs, Walmart, Simply Organized).

It's best to take about \$100-\$150 per person in Australia Dollars and \$150-\$300 per person in New Zealand Dollars. You can order these through your local bank, as we tend to have better rates here. Shop around; normally First Hawaiian Bank and Bank of Hawaii have the most competitive rates. Take your credit card, ATM card, some Australian and New Zealand Dollars, some U.S. cash (*start collecting crisp and clean \$1 bills*), and you'll be just fine.
